Hélice

Equally ergonomic and beautiful.

The Hélice door handle design, presents a meticulous combination of planes and curves in the most scrupulous way results in a single purpose, design excellence. Assembled with an oval backplate, the gentle curvature of this handle allows the hand to rest comfortably on it without losing any of its splendour. This Italian handle design and manufacturing, made of high quality forged brass, is conceived for interior and exterior doors in several finishes, giving life and personality to your doors.

Available in 5 finishes.
