Espuch

The beauty of the pure symmetry of a hexagon turned into a window handle.

The Espuch design has an origin and heart from Alicante. The renowned Alicante interior designer and founder of the Azul Tierra studio has been creating projects that combine luxury and sustainability for more than 20 years. Far from trends, in his aesthetic universe natural proportions coexist with the use of noble materials. This Alicante rectangular window handle design is made of forged brass and is conceived for windows in several es, and will become the protagonist of every space.

Available in 5 finishes.
